Dear Shareholder,

We refer to the HSBC MSCI Emerging Markets Islamic ESG UCITS ETF (IE0009BC6K22) (the “**Fund**”), a sub-fund of the Company, of which you are a Shareholder. The investment objective of the Fund is to replicate the performance of the MSCI EM (Emerging Market) Islamic ESG Universal Screened Select Index (the “**Index**”). The purpose of this letter is to notify you of changes that MSCI Inc. (the “**Index Provider**”) is making to the methodology for the Index (the “**Methodology**”), as detailed below, which will take effect on or around 26 November 2024 (the “**Effective Date**”).

The Index Provider intends to amend the Methodology to cap stock weightings such that they will not exceed the applicable diversification limits set out in the UCITS Regulations. The proposed amendments will avoid a situation where a stock within the Index is at a level higher than the maximum permitted amount the Fund may invest in it under the UCITS Regulations, therefore minimising any mismatch between the Index and the Fund. The Index Provider intends to change the Index name on the Effective Date as per below:

Current Index name	Proposed Index name
MSCI EM (Emerging Market) Islamic ESG Universal Screened Select Index	MSCI EM (Emerging Market) Islamic ESG Universal Screened Select Capped Index

We also intend to update the Fund name to reflect that the Index will be capped, we will confirm details and a timeline in due course.
